# Mystic Garden Spa & Salon

## BEAUTY GARDEN Organic Facial by Sothys

A relaxing organic facial treatment suitable for all skin types and all ages. Results in smooth skin with radiant complexion. An exceptional certified organic skin care line where efficiency and pleasure become one.

A gentle facial ending with a cream infused with rosemary essential oil. Its texture instantly melts into the skin, providing comfort and radiance, leaving the skin glowing with vitality. By protecting the skin, it helps delay the onset of the first signs of aging.
